

Business Health Check — Report

Fill this in after taking the free online health check at bcmssc.com/health-check.html

Business name: _____

Industry: _____

Date: _____

Readiness score (%): _____

Recommended stage: _____

Scored areas

- Registration & compliance — is the business formally registered and up to date on filings?
- Digital presence — website, online ordering/booking, social media
- Operations — how sales and inventory are tracked day to day
- Growth readiness — the biggest blocker to the next stage of growth

What to do next

- 0-44%: Start with Stage 01 — Digital Foundation to establish the basics
- 45-74%: Stage 02 — Structured Growth will formalize operations and expand reach
- 75-100%: Stage 03 — Full Transformation adds automation, dashboards and multi-branch support

This is a self-assessment template. For a personalized, data-backed roadmap, take the interactive version at the link above or book a free consultation with a BCMS consultant.
